

Ayer's Sarsaparilla Makes Good Blood

Trick your skin with a needle. You will see that it is full of blood. But what kind of blood? Rich and pure? Or thin and impure? Impure blood covers the skin with eczema, rashes, pimples, pustules, salt-rheum, boils, carbuncles, and other sores. These simply tell of something bad down deep in the blood itself. Ointments, washes, powders and cosmetics will not reach the evil. You must take out all impurities from the system with

AYER'S Sarsaparilla

and then see how quickly the skin troubles will disappear.

As now made, Ayer's Sarsaparilla contains no alcohol.

There are many imitation Sarsaparillas.

Be sure you get "Ayer's."

FIRST GAME FOR COLUMBIA BOYS

Definite arrangements were made on Saturday (details to be decided later) for two games of baseball between local clubs and the Columbia Park boys upon the release of the latter from quarantine at the end of this week. Both games will be played on the Boys' Field and in the afternoon. The first game is definitely scheduled for next Saturday afternoon, and will be between the Columbia Parkers and the St. Louis College nine. The second game will be between the Columbians and a picked team from the different schools.

The Columbia Park team is a hard one. In Australia they ran up against men as well as students, and usually came off victors. It is believed, however, that they will know they have been in a game before they get through with the St. Louis bunch.

Negotiations are pending for other games of baseball and different field sports, and in a few days a complete program may be announced. It seems certain that the Columbia Boys are in for a busy time of it while here.

MASQUE BALL OF CHINESE A. CLUB

The masquerade ball of the Chinese Athletic Club in the K. of P. Hall Saturday evening was a great success from every view point. The place was well filled, decorations pretty, music fine and costumes numerous and varied. The following were the officers of the evening:

Judges—Mrs. M. F. Prosser, Miss Cross, Mrs. Paul Jarrett and Chinese Consul Liang.

Floor Manager—H. T. Ahung.
General Committee—K. C. Yap, T. T. Ahung, Sam Hop, Alex. Asam, J. Y. T. Zane

The prizes were awarded as follows: Best costume—lady, Miss Notley, a creation of American flags; gentlemen, Ho Tong, officer in full dress uniform. Most comical—En Sui Pung, Chinese laundryman, first prize; Peter Zane, Irish lassie, second prize.

Among the number of special guests present were the Chinese Consul and teachers of the Kamehameha schools. After the participants had unmasked the ball was cleared and dancing began. This was kept up until midnight when the merry party broke up.

THREE MILE RACE WAS A SLOW ONE

On account of muddy roads part of the way and a stiff head wind over the entire course, the interscholastic three-mile race Saturday afternoon was not as speedy as had been expected. The leading three runners kept well together and the finish was close and exciting. The race started at Kapiohale Park and was continued in Kala-

kua avenue to King street, down King to Victoria and thence to the McKinley High School.

The first to finish was Rice, of the High School. Second and third places were taken by pupils of Kamehameha Boys' School and fourth and fifth places by High School boys. This gave the victory to the McKinleys.

A Japanese, Maruki, won first place in the preceding contest. This time he was out of it.

KALIHIS DEFEAT THE PALAMA TEAM

The big sporting event in the north side of town Saturday night was the championship basketball contest between the Kalihis and Palama teams, the game taking place in the Palama gymnasium. Kalihis had the best of the two halves, and finally won by the score of 28 to 12. Both teams played a fast game, but the Kalihis had the reach and seemed to be the more ready.

The contest was refereed by Robert Gault, of the Y. M. C. A.

Following were the competing teams: Kalihis—Alfred Ledward, F. Colburn, George Mills, Charles Johnston and Michael Morse. Palama—Chinto, Kimmut, D. Jellings, Diamond, H. Aki, G. Kealoha and Carl Bergstrom.

The following schedule of games for the season has been arranged by the two clubs:

Seniors at Palama, Feb. 12.
Men's League, at Palama, Feb. 14.
Juniors, at Palama, Feb. 19.
Men's League at Kalihis, Feb. 28.
Juniors at Kalihis, March 1.

CONSULAR CUP WON BY STUDENTS

The Chinese Athletic Club went down to defeat at baseball for the second time in the Chinese Consul's cup series yesterday afternoon, and the handsome trophy became the property of the Chinese Students' Alliance. The score was 9 to 8 in favor of the latter nine.

In the first game the Students' Alliance won, but in the second game the Chinese Athletic Club succeeded in getting the largest number of men over the plate. Yesterday's game was the deciding contest.

The game started off pretty well, but in the second innings the Athletics piled up six runs on good batting and errors of the other side. The Students did not score until the fifth innings, when they made one; but they tallied five in the sixth, two in the eighth and one in the ninth, giving them nine runs. The C. A. C's made two in the eighth, which, with the six in the second innings, gave them a total of 8 runs.

The Chinese Consul and a number of attendants watched the game from the bandstand. When the game was over he called the Students Alliance team

over and, in a neat speech, presented the cup in American style.

The Consul started out by congratulating the Students Alliance upon the great victory. He stated that his object in offering a cup was to promote healthful sport among young Chinese men. Thus far he had been more than pleased with the results, and added that the Chinese clubs might look for a consular cup to be played for every year in future.

Three cheers were given for the consul by the victorious and losing teams together.

FORT SHAFTERS FAIL TO PLAY

The Marine baseballers and a whole lot of fans were mad yesterday afternoon. Arrangements had been made for a great championship game between the halfwits and the Fort Shafter bunch to take place at Aala park prior to the battle of the Chinese teams. The Marines showed up in great form, but not a soldier had come down the pike. Gibson and others got busy on the telephone. Somebody at the other end said the Shafters were on the way, and the sea lions waited. Later, however, it was found that the soldiers had not left the fort and had no intentions of so doing.

Late in the afternoon McCall telephoned something of an explanation into town. It appears that some of the best team men could not get away—a fact they did not know until the last moment; and the remainder of the nine did not relish the idea of tackling the Marines with substitutes.

Another try for a game will be made, and it is just possible that something can be pulled off next Sunday.

AQUATIC EVENTS FOR THE TOURISTS

The surf-riding section of the program at Waikiki Saturday afternoon was again a failure, owing to the absence of a tide; but the other features were good and made up a first rate entertainment. The weather was ideal and a very large crowd turned out to witness the sports—perhaps a half of the Cleveland's big party being among the number. M. Bonvillain was disappointed in not getting a set of surf-riding pictures, but he took a number showing other features, which will form interesting displays locally and abroad later on.

The Clark tourists arrived at the beach in special cars and straightaway began an inspection of the hotels and the aquarium, all of which were of particular interest to the visitors. The Maikai Pine, Mrs. Kalii, took first honors in the paddle canoe race. The Lanakila, Mrs. Kipi, was a close second. Another boat commanded by Mrs. Helela was a bad third.

For the six-paddle race the entries were the Outriggers, Kamehameha Aquatic Club and Outrigger Strawberries. As was expected by a great many the Outriggers won, although they were crowded by the Kamehamehas. Time, 4.05-1.5. Crew of winning boat—K. Brown, captain; Vincent Genova, David Center, Edward Melanphy, William Cottrell and Harry Steiner.

There were four entries for the sailing race, and the results were as follows: Kiohalani, sailed by Punahou, first; Noname, Keola, second; Kamehameha, Kewiki, third; Piliikia, Alex Smith, fourth.

The final boating event was the four-paddle canoe race between the Outrigger regular crew and the Kalihis Aquatic Club. This event was quite close and exciting, the Outriggers win-

ning by a boat length.

The exhibition of pig and taro roasting, Hawaiian style, which was put on for the special benefit of the tourist, seemed to interest the visitors very much.

All in all the entertainment was a success, so far as it went; although it was a pity that the main event failed for want of a tide.
